Beer

Beer is one of the oldest and most widely consumed alcoholic drinks in the world. It is also the third most popular drink overall after water and tea. Beer is brewed from cereal grains —most commonly from malted barley, though wheat, maize (corn), and rice are also used.

Beer - Wikipedia

Specialty beers are beers created by companies that are basically throwing all the rules out the window. They re usually brewed in a traditional or classic way before being topped off by flavors that you wouldn t usually associate with beer, like chocolate or pumpkin. Enjoy making your way through the list of fascinating options.

And a great beer to have in your backpack after an arduous climb on the Appalachian Trail. No offense, but f**k all you armchair drinkers -- IPA snobs -- who never learned how to enjoy a fine pilsner, which by the way, a Pilsner beer, is still the most difficult beer on the planet to make if you're a home-brewer.
