KK was born as fully faired version of KZ, although it should not be considered an evolution of this: both bikes, in fact, born from the pencil of Luciano Marabese and are presented together with the Milan Show in November 1985. However, the Gilera prefers to await the market's reaction to KZ and ...

## parts

Finally, again for the first time on a 125 (so Gilera claim), the KZ is fitted with a CDI ignition with variable advance. The cooling system has a three-way thermostat coupled to the water pump, which avoids hot spots in . the system and the consequent thermal shock from rapid changes in the temperature of coolant flowing over a given spot.
