Secrets Behind

Seven words or words  
of power are words  
which have a specific,  
and sometimes  
unintended, effect.

They are often  
nonsense phrases used  
in fantasy fiction or by  
stage prestidigitators.  
Frequently such words  
are presented as being  
part of a divine,  
adamic, or other secret  
or empowered  
language.
