Peasants Under Siege The Collectivization

Peasants under Siege provides the first comprehensive look at
the far-reaching social engineering process that ensued. Gail
Kligman and Katherine Verdery examine how collectivization
assaulted the very foundations of rural life, transforming village
communities that were organized around kinship and status
hierarchies into segments of large bureaucratic organizations,
forged by the language of "class warfare" yet saturated with
vindictive personal struggles.

Peasants under Siege eBook por Gail Kligman ...

Some peasants viewed collectivization as the end of the world. By no means was joining the collective farm (also known as the kolkhoz) voluntary. The drive to collectivize came without peasant support. The intent was to increase state grain procurements without giving the peasants the opportunity to withhold grain from the market.
