The Greater Journey is the enthralling, inspiring - and until now, untold - story of the adventurous American artists, writers, doctors, politicians, architects, and others of high aspiration who set off for Paris in the years between 1830 and 1900, ambitious to excel in their work. After risking the hazardous journey across the Atlantic, these Americans embarked on a great.

The Greater Journey: Americans in Paris by David McCullough

"The Greater Journey" is a sweeping history of Paris in the 19th century, yet it is also the story of many Americans who came there first to learn and eventually to give over in return. For them it was truly "the greater journey," but it is also for us too, a journey through history, through art, through medicine, and through the passion of the human soul.
